**Lipper ratings** for Total Return reflect funds' historical total return performance relative to peers as of 6-30-22. Lipper ratings for Consistent Return reflect funds' historical risk-adjusted returns, adjusted for volatility, relative to peers as of 6-30-22. Lipper ratings for Preservation reflect funds' historical loss avoidance relative to other funds within the same asset class, as of 6-30-22. Preservation ratings are relative, rather than absolute measures, and funds named Lipper Leaders for Preservation may still experience losses periodically; those losses may be larger for equity and mixed equity funds than for fixed income funds. The Lipper ratings are subject to change every month and are based on an equal-weighted average of percentile ranks for the Total Return, Consistent Return, and Preservation metrics over three-, five-, and ten-year periods (if applicable). The highest 20% of funds in each peer group are named Lipper Leader or a score of 5, the next 20% receive a score of 4, the middle 20% are scored 3, the next 20% are scored 2, and the lowest 20% are scored 1. With respect to other time periods the fund received the following scores in its respective peer groups; for Total Return (Corporate Debt – A Rated Funds Category), 3 years 5 (Lipper Leader) among 34 funds, 5 years 5 (Lipper Leader) among 32 funds and 10 years 5 (Lipper Leader among 26 funds, for Consistent Return (Corporate Debt – A Rated Funds Category), 3 years 5 (Lipper Leader) among 34 funds, 5 years 5 (Lipper Leader) among 32 funds and 10 years 3 among 26 funds, for Preservation (Fixed Income Funds Category), 3 years 4 among 6,247 funds, 5 years 4 among 5,555 funds and 10 years 5 (Lipper Leader) among 3,829 funds.

## Important Information for Investors

Past performance does not guarantee future results.

The Adviser invests only in securities that meet the Fund's investment and religious requirements. The returns may be lower or higher than if decisions were based solely on investment considerations. The method of security selection may or may not be successful and the Fund may underperform or outperform the stock market as a whole. All mutual funds are subject to market risk, including possible loss of principal. The Fund's investments in small- and mid-capitalization companies could experience greater volatility than investments in large-capitalization companies. The Fund invests primarily in fixed income securities and as a result the Fund is also subject to the followings risks: interest rate risk, credit risk, credit rating risk and liquidity risk. The investment performance assumes reinvestment of dividends and capital gains distributions. Performance data reflects certain fee waivers and reimbursements. Without such waivers, performance would have been lower. The Bloomberg Intermediate U.S. Govt./Credit Index is the benchmark index used for comparative purposes for this fund. Indexes do not incur fees and it is not possible to invest directly in an index.
